THE STORK HOTEL 504 ELIZABETH ST MELBOURNE

\$10 ENTRY

The stork bids farewell to its existence with a final bash on new year's eve 2007-2008. LSS have played a few gigs here over time so are glad to be asked back for the final gong. The line-up is going to be huge with three stages and plenty of the finest bands ever to grace the Stork's stage. Word on the street is that the bar is to be drunk clear to make way for the bulldozers.

To get access you will have to make a booking. Ring or email and get your name put on the door list. You don't have to pay until you arrive on the night. **03 9663 6237** or nyestork@gmail.com
